

STATE OF ALASKA
Department of Public Safety
MEMORANDUM

To: AI 05-04 File

Date: February 1, 2006

Telephone: 269-5697

From: Major Matt Leveque 
 Administrative Commander
 Alaska State Troopers

Subject: Correction / Addition to
 Memo of Finding

A review of the AI file shows a typographical error on page one of the memorandum of findings. In the list of possibly violated OPM sections at the bottom of the page, the section labeled "Operation to be Prudent and Lawful" is incorrectly identified as coming from OPM 101.030 (A). It actually comes from OPM 103.030 (A).

In addition, the AI investigator, Sergeant Wall, states that the list of four "Not Sustained" violations, that follow the allegations by Adrian and Marilyn Lane regarding possible driving after drinking, should have an additional OPM section added as "Not Sustained." The new list should read:

OPM 101.070 (A)	Unbecoming Conduct	Not Sustained
OPM 101.070 (B)	Personal conduct	Not Sustained
OPM 101.070 (C)	Conformance of Laws	Not Sustained
OPM 101.070 (F)(2)	Use of Alcohol	Not Sustained
OPM 103.030 (A)	<i>Operation to be Prudent and Lawful</i>	<i>Not Sustained</i>
